M.C. 3737 Revision of the scales of pay of the non-gazetted employees of the Bangalore City Municipality

Ack to the M. Commr. Revenue Offr and the Octroi Superintendent of the Bangalore City Mcty, as already resolved by the M. C. dt , the revised scales of pay of the Firemen have been sanctioned by Govt

16) Submitted for orders

KSR 18.11.48

17) Sanction has been accorded to the grant of the minimum of the revised scales of pay proposed by the Mcpl. Commr. in respect of the several classes of employees working under him. The observations that have also been received and sent to the Commr for remarks

2) 18) This has not however, affected the case of the following officers

	present scale	revised scale
	Rs	Rs
1) P A to the Mt Cmdr	150-25-250	200-20-3
2) Accountant	100-10-150-25-250	200-20-3
3) other Supdg. Surveyors	100-10-150-25-250	200-20-3

It is proposed to revise the scale mentioned in respect of the above posts. This is equal to the scale of pay of Surveyors. It is ordered to postpone giving effect to the proposal pending orders about the revision of the scales of pay of the subordinate offices.

These orders have now been passed in G.O. No. ——— dated 6.11.1945 Pc 4081-4161 dtd 14-11-45

Surveyors whose existing scales Rs 175-25-200 are now put into the scale of Rs 200-20-3

The point for consideration is whether the scale of pay of the officers next to above at Mandal should be revised as above or would have been altogether if there was an interval of years between those of the new scale of pay.

these are now purely municipal

appointments. The Chief Secretary
in regard to a question which
has to be stated that, in the Municipal
Corporation Bill, action in some of the
taxes proposed to be levied. We do
not therefore appear to be any necessity
to revise the scale at present
further, these appointments will also come
up for review after the Corporation Act
is promulgated into law

21) Hence with regard to the above facts the
financial condition of the City
is for orders if the proposal to
revise the scales of pay of the above posts
maybe sanctioned now
the financial effect may not be known
correctly until the Act is promulgated

REVENUE SECTION No D 215 20 MAY 1948

To

Syed Abdul Aleem, Esq, B A,
Secretary to the Government of Mysore,
Revenue Department, Bangalore

SIR,

Subject - Proposals for the revision of the scales of pay of the non-gazetted employees of the Bangalore City Municipality

---

With reference to correspondence ending with your letter No L 16741/M1 19-47-106 dated 10-5-1948 conveying the approval of Government to the minimum pay as per scales proposed by the Municipal Council being drawn and disbursed to the officials of the Public Conveyance, Market, Octroi and other establishments of the Bangalore City Municipality excepting the cases of Cashier, Store-keeper and the Laboratory Assistant for whom revised scales proposed have been directed to be adopted, I have the honour to state that it is presumed that the above sanction applies also to the revised scales of Rs 200-20-300 proposed to the Personal Assistant, Revenue Officer, and Octroi Superintendent whose cases had been asked to be kept by, pending revision of the grade of Amildars as per your letter No L 13742/M1 104-47-14 dated 20-2-1948

2 If it is held that the sanction does not cover the cases of these officers, it would lead to anamolies as explained below -

According to the letter No L 16741 M1 10-47-106 dated 10-5-1948 the pay of the Prosecuting Inspector and the Market Superintendent would be Rs 150-25/2-200 The grade of the Revenue Officer who is the superior and higher officer

to the Market Superintendent remains at Rs 100-10-150-25/2-250 the minimum pay being less than that of the Market Superintendent

Likewise, the Prosecuting Inspector who will be drawing a minimum pay of Rs 150/- 150-25/2-250 is borne in the Commissioner's Office Establishment for which the Personal Assistant is the Head and the status of this official will be almost the same as that of the Personal Assistant

It may be stated in this connection that the scales proposed for these officers who are purely Municipal employees are revised on the basis of the revised scales of pay proposed for the Amildars of the Revenue Department, taking into consideration the onerous nature of the work entrusted to them and the heavy responsibility involved therein The scales pay which are different at present to these officers are proposed to be revised on the same footing viz , 200-20-300 to facilitate inter-transfers as already stated As these are purely Municipal employees their cases may not perhaps wait till the question of the Amildars are settled

In the circumstances above cited, I solicit specific instructions of Government in the matter of drawing the pay of the above three officers in accordance with the revised grade viz , Ps 200-20-300

I have the honour to be,
Sir,
Your most obedient servant,

Municipal Commissioner

Sir, With reference to the Correspondence ending with your letter No A5-C-206/47-48 dated the 13th November 1948 on the above subject I am directed to observe that, in view of the ~~(buoyant~~ ~~factors)~~ ~~condition~~ of the finances of the Bangalore City Municipality, it is not necessary that every one of the posts in the Municipality should be brought on a par with the Secretary to the Municipality. If there is an assurance from the Bihar Govt to the effect that they will not depend upon Government for financial assistance, there is no objection to the adoption of the following scales of pay — Taking all aspects into consideration, Govt of India think that the following scales of pay may be adopted —

Dated, Bangalore, the 28th September 1949

The Municipal Commissioner, Bangalore City has sent up proposals for the revision of the scales of pay of the Personal Assistant to the Municipal Commissioner, the Revenue Officer and the Octroi Superin-tendent.

The pay of the Octroi Superintendent was fixed at Rs.100-10-150/-25/-250 in Government Order No.L.3065-67/Rl.129-41-4 dated 23rd October 194' and the same grade was sanctioned to the Revenue Officer also in the subsequent Government Order No.L.1767-8/Rl.10-42-142 dated 11th August 1' The scale of pay of the Personal Assistant to the Municipal Commissioner has not been fixed as officers from the cadre of Amildars were being drafted hitherto for this post. Now in view of the fact that qualified men are available for promotion, the Municipal Council has resolved to promote men to this place from its own ranks and has accordingly filled up this post some time back.

The Municipal Council has included the above officers also in its proposals for the general revision of the pay of the non-gazetted employees of the Bangalore City Municipality But their cases were ordered to be deferred until such time as the revision of the pay of Amildars was approved.

Now that the pay of the Amildars has been revised and orders thereon have issued, the Municipal Commissioner has recommended sanction to the resolution dated 26th November 1947 and 18th April 1949 of the Municipal Council expressing itself in favour of these three officers being given the same scale of pay and proposing the revision of their grade uniformly to Rs.200-20-300 in conformity with the grades allowed to the Amildars

Government, after considering all the aspects of the question, are pleased to direct that the pay of the above three officers be revised to Rs.150-10-200-20-300 per mensem with effect from 1st October 1948.

The pay of these officers in the new grades will be fixed in accordance with the instructions issued in the matter of fixing the pay of the Government employees under the general revision.

Dated Bangalore, 3-10-1949

FROM

The Secretary to the Government of

To

The Municipal Commissioner,
Bangalore City.
(through the President)

SIR,

Subject Revision of the scales of pay of the Personal Assistant to the Municipal Commissioner, The Revenue Officer and the Octroi Superintendent of the Bangalore City Municipality.

In continuation of Government Order No.L.3776-7/CM 1-49-34 dated 28th September 1949 sanctioning the revision of the scales of pay of the above officers of the Bangalore City Municipality, I am directed to state that some anonymous petitions were received against Sri.Swaminathan, when he was acting as Octroi Superintendent, now on other duties as Market Superintendent making certain serious allegations, and the Anti-corruption officer to whom they were sent has made an ad-interim report to the effect that there is some basis for the allegation made against him. As the matter is still being investigated, and the arrangement to place him in charge of the duties of the Market Superintendent has been allowed purely on a temporary basis, the Municipal Council may consider the question of giving him the benefit of the revised grade after the final report is received from the Anti-corruption officer and final orders are passed thereon.

Further, this official hold only the permanent post of a council clerk on Rs.60/- permensem and is not duly qualified He has not passed the local tests (except Revenue) which officers of the Revenue Departments in the same grade have to pass before confirmation. His sudden elevation as Octroi Superintendent in Grade Rs.150-10-200-20-300 is likely to cause discontent and heartburn among the other members in the service of the Municipality. This aspect also requires to be borne in mind when the

when the council takes up his question for consideration.

Yours faithfully,

Sd. Mir Safdar Hussain
